About This Book

Apex English is the book of language and literacy for the beginning level of **Prep**.

This book has been developed under the integrated approach to teaching and learning that connects activities and concepts to one another and to the real world. The Book provides the opportunity for the children to recognize vowels & consonants and their positions across the four lines, develop understanding of long and short sounds of vowels through cvc, cvcc & ccvc words, recognize sound of digraphs through words and sentence reading, understand sentence structure by using noun, pronoun & verb and to develop skills to solve comprehension and composition effectively.

Explore the alphabet and understand the position of each letter on four lines. Learn sounds of the letter and discover the objects that begin with each letter sound by using Smart Kids App.

Engage in listening and reading practice with CVC, CVCC and CCVC words through short stories and sentences to understand the differentiation of long and short vowel sounds. Explore more about phonetics and pronunciation using Smart Kids App.

Understand the soft and hard sounds of the letter 'c' and 'g' by reading and comparing the sound of words. Tap the Smart Kids App to understand more about their sounds.

Discover how digraphs sound by reading words and sentences. For better understanding of digraph sounds use Smart Kids App.

Learn about noun, pronoun, and verb. Also understand their usage in sentence construction. To understand sentence structure more effectively use Smart Kids App.

Explore comprehension and composition skills with engaging short stories. By using Smart Kids App learn to tackle comprehension and composition tasks within the stories.
